Eighth CIRIEC International Congress on Social Economy Research

The Eighth CIRIEC International Congress on Social Economy Research called Social Solidarity Economy and the 2030 Agenda: Inclusive and sustainable development through innovative social practices aims to convene academics, entrepreneurs and social sectors to contribute with their research by contributing to the theme of social and solidarity economy in the framework of the Sustainable Development Goals (SDGs: 2015-2030), approved by the United Nations, which are 17 goals with 169 targets that include themes of action to safeguard future generations, such as climate change, economic inequality, innovation, sustainable consumption, peace and gender equity, sustainable cities, flora and wildlife.

Date and place of the congress

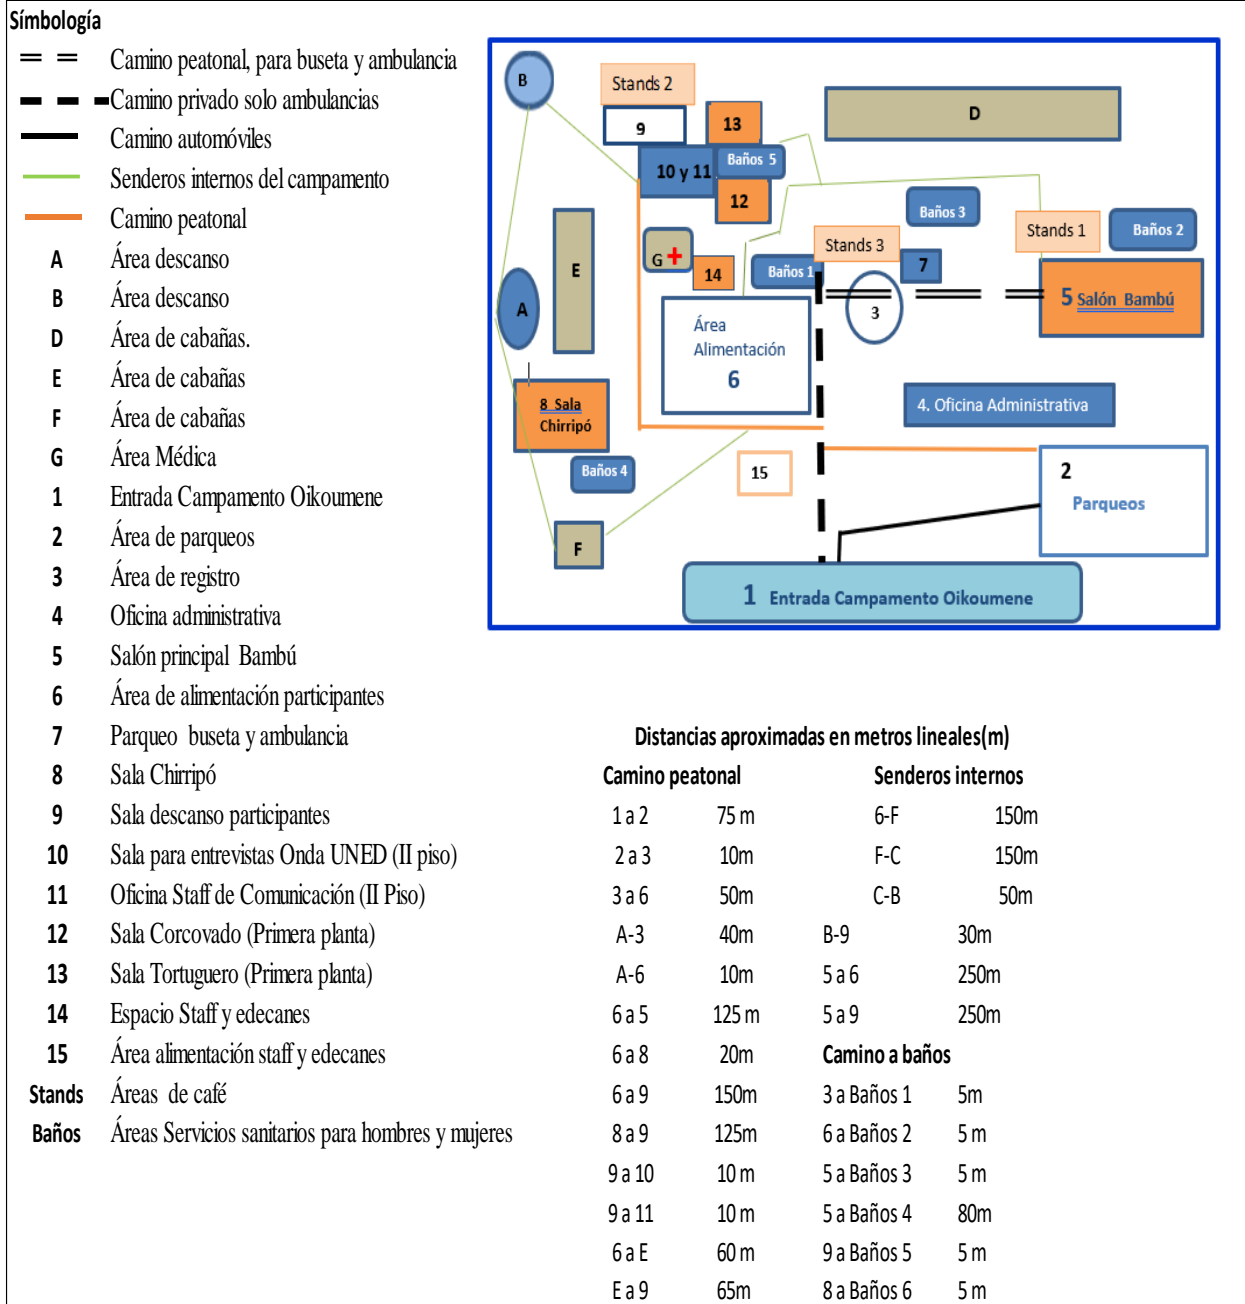

This prestigious event will be held on September 8, 9, and 10, 2021, at the Oikoumene Camp in the canton of Ochomogo, 15 km from San José Center, in the province of Cartago.

To get to the place use the WAZE application and look for Camp Oikumene.

Thematic axes of discussion:

- 1 Public policies and Social Solidarity Economy
2. Social promotion strategies
3. Innovation and technology
4. Sustainability and accessibility
5. Measuring the impact of the Social Solidarity Economy.

Sketch of the congress site

French-Spanish Spanish-French

Simultaneous workshop rooms

The six simultaneous rooms will have simultaneous translation

Spanish-English - English-Spanish

Main hall and simultaneous workshop rooms

Main hall

Bamboo Room

This is the main room for international conferences.

Equipped for 170 people and staff at a distance of 1.80 meters between each person.

Each person will have his or her own desk and will be able to view all the international conferences, both those given by the presenters as well as the virtual ones.

There will be live transmission on screens located in different parts of the main hall.

The place is open to protect people's safety and there will be awnings on the sides in case of rain.

Image 1. Distribution of desks in Bamboo Main Hall

Source: Own elaboration

It will be used for the Bamboo Workshop in the simultaneous rooms.

Chirripó Room

Equipped so that the exhibitor can give his presentation with a maximum of twenty face-to-face participants and up to 500 virtual participants, the moderator and the exhibitor are projected on a large screen.

The participants enter the place, in case the fields are full they will have to see the expositions virtually in the waiting rooms. In the hall, they will remain at a distance of 1.80 meters.

Corcovado Room

Equipped for the on-site moderator to project from Costa Rica to the virtual platform. Used only for virtual exhibitions with exhibitors who are not present in person. Admission will be virtual only and has space for 500 participants.

Tortuguero Room

Equipped for the on-site moderator to project from Costa Rica to the virtual platform. Used only for virtual exhibitions with exhibitors who are not present in person. Admission will be virtual only and has space for 500 participants.

Miravalles Room and Arenal Room

They will be 100% virtual, the moderators will be virtual and will not have a physical space at the event site.

Participants feeding area

In sketch space 6

The food area has space for 170 people spaced 1.80 meters apart. It will be buffet service and people must keep the proper distance to be served. There will be three food service stations for this area.

Food area for staff and hostesses

In sketch space 15

The food area for staff and hostesses will have space for 50 people spaced 1.80 meters apart. It will be buffet service and people must keep the proper distance to be served. A food service station will be set up for this area.

Medical area

In sketch space G

There will be an ambulance and an office with basic emergency medical services for the three days of the congress.

Parking

In sketch space 2

There will be space for more than 300 cars at the event site.

Restroom facilities

In sketch areas marked as restrooms.

There are restrooms for men and women, distributed in all workshop rooms, food areas and at the main registration entrance.

Rest areas

In sketches spaces A and B

Oikoumene, being a recreational farm, has spaces for hiking, lake, mountain views, as well as outdoor spaces for the rest of the participants.
